**LOCATION FILMING AT VIRGINIA WATER RESCHEDULED TO THE END OF FEBRUARY.**

Thursday 1<sup>st</sup> February 2018

Dear Residents & Businesses,

This correspondence follows on from my letter that was delivered last week, informing you of our filming taking place at **Virginia Water Lake, London Road, Egham, GU25 4QF**. Due to unforeseen circumstances, one of our cast is now unable to film until the end of February. This has resulted in us postponing our plans to film at Virginia Water Lake by approximately three weeks. We now plan to have a presence at the lake from Friday 16<sup>th</sup> February 2018 until 19<sup>th</sup> March 2018, with our rehearsal and filming dates as follows:

**Rehearsals:**

**Monday 19th February – Friday 23rd February,  
Monday 26th February and Tuesday 27th February 2018.  
Between the approximate hours of 08:00 – 18:00.**

**Filming:**

**Wednesday 28th February – Friday 2nd March,  
Monday 5th March – Thursday 8th March,  
Friday 16th March 2018.  
Between the approximate hours of 07:30 – 19:30.**

As per my previous letter, the sequence we are filming at Virginia Water Lake is the ambush that starts the story. Consequently, there will be a significant number of special effects, stunts, pyrotechnics, explosions and blank gunfire. For the safety of our crew and that of the public, we will implement a full closure of the path around the lake on the 1<sup>st</sup>, 2<sup>nd</sup>, 6<sup>th</sup>, and 8<sup>th</sup> March. For the subsequent filming days: 27<sup>th</sup> February, 28<sup>th</sup> February and the 5<sup>th</sup>, 7<sup>th</sup> and 16<sup>th</sup> March, we will have a closure only in the areas that we are working. Leading up to our filming, there will be some increased activity in the park in order for the crew to prepare the set and rehearse the action sequence. On these days the park will remain open. There is a map overleaf identifying the closure area.

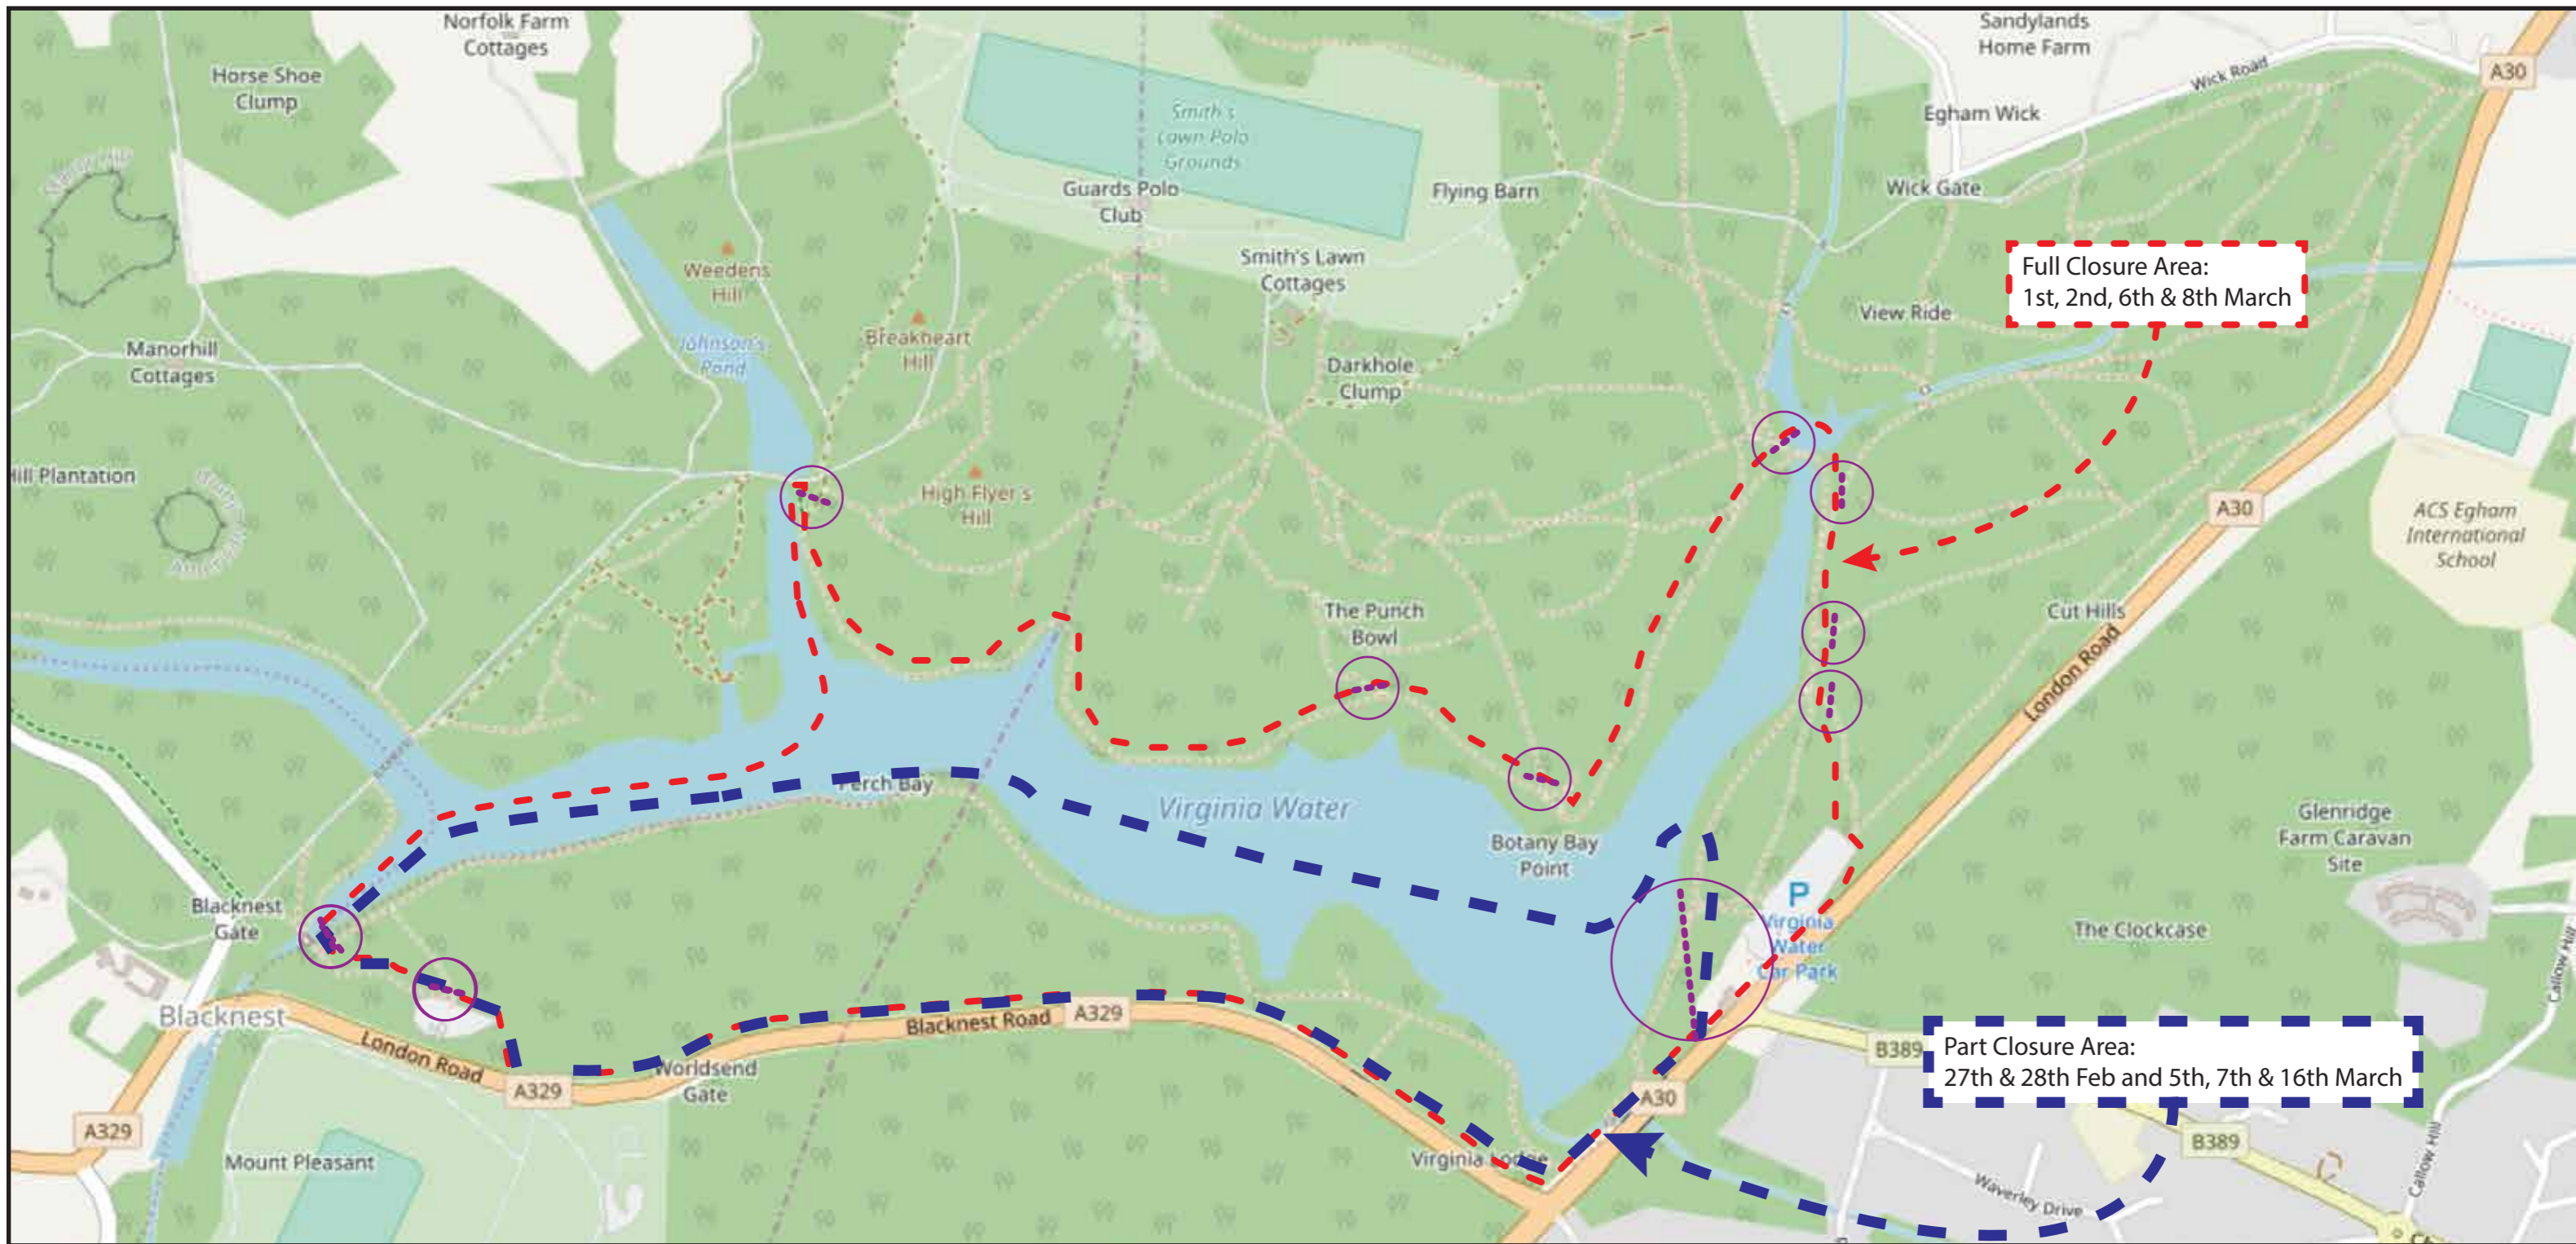

We are working closely with The Crown Estate, Surrey County Council, Surrey Police and Surrey Highways regarding our filming. During our time on site I will be on hand if you have queries. In the meantime, should you have any concerns regarding the filming, please do not hesitate to contact me on the details below. If you do wish to be kept informed, please email and I will be sending out regular updates.

Thank you again for your assistance and patience, I look forward to meeting some of you during our time at Virginia Water.

Kind regards,

Thomas Asquith
